

## Industry Institute Cell (IIC)

The Industry Institute Cell (IIC) of Rajshree Institute acts as an interface between the institute and companies. IIC believes in maintaining symbiotic, vibrant and purposeful relationship with industries across the country. It hosts the companies on campus and ensures that every aspirant is assured of a bright career of his/her choice. IIC works on student's employability enhancement through following activities:

- Group Discussion
- Mock Interview
- Online Test
- Professional Communication Classes
- Guest Lectures
- Workshops
- Industrial Visits
- Inbound and Outbound Training
- Summer Internship and Final Placement
