1. About the Anti-Drug Club

The **Anti-Drug Club** is a dynamic and socially responsible initiative committed to raising awareness about the dangers of drug abuse and encouraging students to lead a healthy, drug-free lifestyle. It serves as a platform for empowering young minds to make informed choices and stand against substance abuse.

The club organizes a wide range of impactful activities, including:

- **Awareness seminars and guest lecturers** conducted by healthcare professionals, educators, and law enforcement officers
- **Public rallies and outreach campaigns** aimed at spreading the message of prevention to the broader community
- **Creative competitions** such as poster-making, slogan-writing, essay contests, and street plays that highlight the risks of drug use
- **Poster exhibitions and interactive displays** that engage students through visual storytelling and facts

Beyond awareness, the club actively collaborates with the **Counseling Cell, Discipline Committee**, and various student welfare bodies within the college. Through this collaboration, we offer:

- **Personalized counseling and psychological support** for students in need
- **Guidance and mentorship** to help students uphold moral values and stay focused on their academic and personal goals
- **Timely intervention and rehabilitation support**, where necessary, in a safe and confidential manner

The Anti-Drug Club is not just about prevention—it's about creating a culture of responsibility, resilience, and mutual support among students. Through education and active engagement, we aim to build a campus where every student can thrive in a positive, drug-free environment.

4. Activities

1. Essay Competition:

Essay Competition – Say No to Drugs, Say Yes to Life

As part of the Anti-Drug Club's ongoing commitment to fostering awareness and encouraging critical thinking among students, an Essay Writing Competition is organized on the theme of drug abuse prevention.

Objective:

The goal of the competition is to engage students in thoughtful reflection on the dangers of drug abuse and to empower them to express their views on promoting a healthy, drug-free lifestyle. It also serves as a platform to develop writing skills, raise awareness, and spark meaningful conversations among peers.

Theme Examples:

- “Say No to Drugs, Say Yes to Life”
- “Drug Abuse: A Threat to Youth and Society”
- “The Role of Education in Preventing Substance Abuse”
- “Building a Drug-Free Future: My Vision”

Guidelines:

- Open to all students of the college
- Word limit: 800–1000 words
- Language: English, or optionally in regional language (as specified)
- Submissions must be original and free from plagiarism
- Essays will be judged based on originality, clarity, depth of thought, and relevance to the theme

Awards and Recognition:

- Winners will receive certificates and prizes
- Selected essays may be featured on the college website or displayed during awareness programs
- Participation certificates for all entries

This competition is a meaningful way for students to voice their stand against drug abuse and contribute positively to our campus awareness efforts.

2. Pledge

Anti-Drug Pledge

- **I pledge to live a healthy, responsible, and drug-free life.
I will say NO to drugs and all forms of substance abuse.
I understand the dangers of addiction and will never support or promote drug use in any form.
I will spread awareness among my friends, family, and community about the harmful effects of drugs.
I will stand by those who need help, offer support, and encourage them to seek guidance.
I pledge to uphold the values of discipline, dignity, and respect in my life.
Together, we can build a better, stronger, and drug-free society.**

3. Anti Drug SPEECH

Objective of the Anti-Drugs Pledge

- To encourage individuals, especially students and youth, to consciously reject drug use.
- To promote a culture of healthy living, responsibility, and awareness.
- To instill values of self-discipline, self-respect, and social commitment.
- To create a community that actively works against drug abuse and its consequences.

Importance of the Anti-Drugs Pledge

- Reinforces personal commitment to avoid drugs.
- Acts as a preventive tool through mass participation and public declaration.
- Enhances the sense of accountability among students and young citizens.

- Serves as a platform for launching continuous anti-drug awareness initiatives.
- Strengthens educational institutions' role in shaping drug-free campuses.

4. Drug Awareness Seminar Programme

Drug Awareness Seminar Programme

The Drug Awareness Seminar is a key initiative organized by the Anti-Drug Club to educate and empower students with knowledge about the harmful effects of drug use and to promote a culture of prevention, support, and healthy living.

Objective:

- To raise awareness among students about the physical, psychological, and social dangers of drug abuse
- To provide accurate and up-to-date information on various types of addictive substances
- To educate students about the signs of addiction and how to seek help
- To encourage peer responsibility and positive choices among the youth
- To build confidence in saying no to peer pressure and risky behaviors

Importance:

- Knowledge is prevention: Understanding the consequences of drug use can prevent experimentation and misuse
- Early intervention: Helps in identifying early signs of addiction in oneself or peers, allowing timely support
- Community strength: Reinforces a collective commitment to building a safe, drug-free campus
- Emotional support: Breaks stigma around seeking help and promotes mental well-being
- Holistic development: Encourages moral responsibility, discipline, and healthy coping mechanisms

Programme Highlights:

- Expert sessions by doctors, psychologists, counselors, and law enforcement officers
- Real-life testimonials from former addicts or affected families to inspire reflection
- Interactive Q&A sessions to clear myths and doubts about drug use

- Distribution of educational materials such as brochures, booklets, and helpline details
- Participation certificates for attendees to encourage student engagement

Target Audience:

- Students from all departments
- Faculty and staff (optional inclusion for broader awareness)
- Members of student support services and clubs

Expected Outcomes:

- Increased student awareness and vigilance regarding drug abuse
- Improved peer support and mental health referral culture on campus
- Reduction in stigma and fear surrounding addiction and recovery
- A stronger, more unified student body committed to living drug-free

5. Rally Programme – Anti-Drug Awareness Campaign

As part of the Anti-Drug Club's mission to promote a drug-free lifestyle, our college organizes impactful Anti-Drug Awareness Rallies. These rallies serve as a powerful platform to spread awareness about the harmful effects of drug abuse and to inspire positive change in the community.

Objectives of the Rally:

- To educate the public, especially youth, about the dangers of drug addiction
- To promote a healthy, responsible, and substance-free lifestyle
- To involve students in community outreach and social responsibility
- To build unity and peer support in the fight against substance abuse

Programme Highlights:

- Participation of students, faculty, and volunteers holding placards, banners, and slogans promoting anti-drug messages
- Route covering key public areas to maximize visibility and engagement
- Distribution of informational leaflets and brochures to bystanders
- Street plays or skits performed by students to create awareness in a creative way
- Address by guest speakers or social activists at the start or conclusion of the rally
- Coordination with local authorities to ensure a safe and well-managed event
