I hope you will all enjoy going through the pages of this issue of The Rajshree News Letter. I am thankful to everyone for their cooperation for this news letter and say congratulations to the editorial team for their determined efforts in bringing out this newsletter.

Best Wishes

Rajendra Kumar Agarwal
Chairman
Rajshree Group of Institutions

Dear Students, Faculty Members, and Readers, While allowing students to establish their foundations in all subdivisions of engineering, management, and related areas, it prepares them for their future to specialize in any area of their choice at Bachelor's & Master's levels. It is a matter of immense pleasure and happiness for Rajshree to bring out the 11th Edition of the Rajshree News Letter released. The College has made tremendous progress in all spheres of academic, non-academic, capacity building relevant to staff and students. An attempt is made to achieve this through various CSR activities, co-curricular and extracurricular activities that are mostly designed and managed by the students.

I congratulate all the Faculty and Students of the various Departments for making efforts to conduct and attend various events during this period. I appreciate every student who enjoyed the pleasure of participating in co-curricular and extracurricular activities along with their obligation to the curriculum. We would also like to extend our gratitude to the Chairman of the Rajshree Group of Institutions, Shri Rajendra Kumar Agarwal, the man behind the idea of this educational group. Nevertheless, we thank our readers for their valuable feedback and for keeping us motivated throughout. I congratulate the Editorial Board of this News Letter which has played a wonderful role in accomplishing the task in record time.

We are proud of our students' achievements and hope that they will win many more laurels in the future.

Wishing you all continued success and growth.

EDITOR'S NOTES

Message from Dean Academics Desk

Dear Readers,

With the blessings of our most respected Hon'ble Chairman Shri Rajendra Kumar Agarwal and Hon'ble President Shri Rakesh Kumar Agarwal, 11th Edition of the Rajshree News Letter is before you. It was quite inspiring to watch and witness the potential of our student's achievements at various stages. We always believe that "Hard Work has no shortcuts".

Here, in Rajshree, we continuously strive for excellence. I must say that a student must be focused and alert to achieve his target. Once the students develop an attitude of this level then even failure becomes learning for them, and they fall under the category of "bound to succeed".

Dear Readers, The goal of the Rajshree Group of Institutions is to provide transformational education that produces skilled workforce, researchers, and innovators of tomorrow with intellectual and technological resources. Our commitment and dedication are to focus on experiential, cooperative, and project based learning that allows our students to continue to adapt, grow, and succeed in solving real world problems. A team of excellent, experienced, world-class faculty and a bank of industry experts are the driving forces that embody up-to-the minute knowledge and processes from across the world. I am confident that this News Letter will send a positive signal to the staff, students, and anyone who is interested in quality education; technology based activities, and personal development.

I congratulate the Editorial Board for their determined efforts in bringing out this newsletter.

Best wishes and blessings to the Rajshree Team.

Prof. (Dr.) Saket Agarwal
Dean Academics
Rajshree Institute of Management and Technology, Bareilly

Dear Readers,

It gives me immense pleasure to release the 3rd edition of the Rajshree Newsletter July 2023 Issue. I am highly thankful to Dean Academics (Prof.) Dr. Saket Agarwal, who showed their trust in me to be as a chief editor of this news letter.

Dear Readers, The newsletter is an impressive culmination of facts, achievements, opinions, and information surrounding our institute during said time period. It particularly highlights the experiences of students, staff, and alumni in the curricular, co-curricular, and extracurricular walks of collegiate life. For your viewing, we have put together an array of articles spanning from interviews of our best and most successful to write ups about the latest buzz in the technical era. We encourage our readers to scour through these pages because as we truly believe; there is always something for everyone. As Editors, we would be remiss if we failed to express our gratitude to the faculty coordinators and the faculty in charge, whose help and care greatly contributed to the creation of this newsletter. In the same breath, we would also like to dearly thank our team including incredible writers, designers, and editors who poured in their hours to make this newsletter possible. The teamwork displayed in this edition, truly made us believe in perseverance. I congratulate the editorial team for their determined efforts in bringing out this newsletter.

BBA & B.Com Students Visit Rajshree Fine Chemicals Pvt. Ltd. for Industrial Exposure

Rajshree BBA and B.Com students recently visited Rajshree Fine Chemicals India Pvt. Ltd., Bareilly, as part of an academic initiative aimed at providing real-world exposure to industrial and corporate operations. The visit offered students a valuable opportunity to observe the chemical manufacturing process, including stages such as raw material handling, production workflow, quality control, and safety management. Company officials conducted a detailed tour and held an interactive session, where they discussed business strategy, operations management, and the importance of compliance in the chemical industry. This experience helped students connect classroom theories in business and commerce with practical industry applications, enhancing their understanding of manufacturing, supply chain management, and industrial ethics.

Boosting Brand Presence: Coca-Cola's Interactive Visit to Rajshree

Coca-Cola representatives visited Rajshree with a focused initiative to enhance brand visibility and engagement among the student population. This strategic branding activity aimed to connect directly with young consumers by offering them an opportunity to sample Coca-Cola products in a lively and interactive setting. This initiative was part of Coca-Cola's ongoing efforts to strengthen brand awareness and build a positive connection with young consumers. The event was met with enthusiastic participation from the student body, with many expressing appreciation for the company's presence on campus and their efforts to engage directly with them. The distribution of beverages created a friendly and welcoming atmosphere, encouraging students to relax and enjoy the experience.

Environmental and Social Responsibility Program – “Our Power, Our Planet”

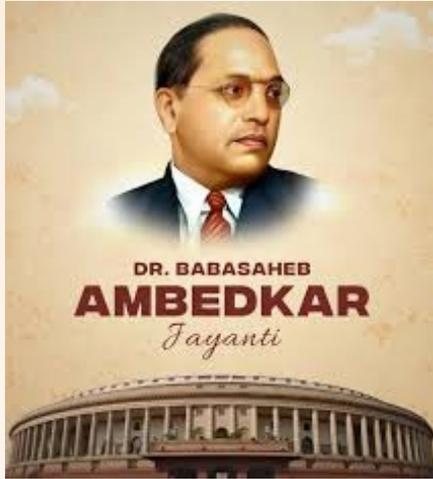

Department of Pharmacy successfully organized an Environmental and Responsibility Program under the inspiring theme “Our Power, Our Planet”, aimed at promoting awareness, responsibility, and action towards environmental sustainability and ecological well-being. The event brought together students, faculty, and staff in a unified effort to foster a sense of environmental stewardship. The program focused on highlighting the critical role that individuals, especially future healthcare professionals, can play in protecting and preserving our planet.

One-Day Seminar on “Resources for Power Plant Design”

The Department of Mechanical Engineering and Civil Engineering jointly organized a one-day seminar on “Resources for Power Plant Design”, in association with The Institution of Engineers (India), Bareilly, (Local Chapter). The seminar aimed to enhance students' and faculty members' understanding of the multidisciplinary aspects involved in power plant planning and design. Experts from the power and infrastructure sectors delivered insightful sessions on topics such as structural planning, thermal systems, site selection, material selection, and environmental considerations in modern power plants. Distinguished speakers included professionals affiliated with The Institution of Engineers (India), who shared real-world case studies and cutting-edge developments in the field. Students actively participated in Q&A sessions, engaging with topics relevant to both mechanical and civil engineering domains. The seminar was well received and marked a successful step toward academic-industry integration and interdisciplinary learning.

Dr. B R Ambedkar Jayanti: Inspiring Equality and Empowerment

On April 14, Rajshree Institute of Management and Technology, Bareilly commemorated the birth anniversary of Dr. Bhimrao Ramji Ambedkar, widely known as the Father of the Indian Constitution, by organizing a special event to celebrate BR Ambedkar Jayanti. The event aimed to honor his immense contributions to social justice, equality, and the empowerment of marginalized communities in India. The celebration began with a solemn tribute to Dr. Ambedkar through the lighting of the ceremonial lamp, followed by a brief speech highlighting his life, achievements, and enduring legacy. The event also included a discussion session where participants shared their thoughts on how Dr. Ambedkar's teachings remain relevant in contemporary society and the steps needed to further his vision of an inclusive and equitable India. The celebration concluded with a pledge by all attendees to uphold the principles of social justice and work towards building a society free from discrimination.

International Yoga Day: Embracing Wellness and Mindfulness

On June 21st, Rajshree Institute of Management and Technology, Bareilly enthusiastically celebrated International Yoga Day to promote physical and mental well-being among its members. The program was inaugurated by the Honorable Chairman, Shri Rajendra Kumar Agarwal, along with the Vice Chairperson, Dr. Monica Agarwal, marking the official commencement of the International Yoga Day celebration. The event aimed to raise awareness about the benefits of yoga and encourage participants to incorporate it into their daily routines for a healthier lifestyle. Participants, including students, faculty, and staff performed a series of asanas (postures), pranayama (breathing exercises), and meditation techniques.

Promoting Employment Opportunities: 3rd Mega Rojgar Mela Held at Rajshree Institute, Bareilly

Rajshree Institute of Management and Technology, Bareilly, in association with the Regional Employment Exchange, Bareilly, successfully organized its 3rd Rojgar Mela on 20th June 2025 at Rajshree campus. The event served as a dynamic platform to connect job seekers with potential employers and provide students with career-building opportunities. The event was inaugurated by the Honorable Chairman, Shri Rajendra Kumar Agarwal, and the Vice Chairperson, Dr. Monica Agarwal, along with several other esteemed officials. They highlighted the significance of such employment initiatives in fostering youth empowerment and building strong links between education and industry. This year's Rojgar Mela witnessed an overwhelming response, with over 1,500 students participating and 50 companies offering job opportunities across multiple sectors. A total of 648 students were successfully placed, comprising 475 students from Rajshree Institute and 173 from other colleges, making this event a notable success. The valedictory session was graced by Honorable M.P. Arya, MLA, Nawabganj, as the Chief Guest. He appreciated the institute's efforts in supporting local youth through such meaningful initiatives. As part of the closing ceremony, certificates were distributed to selected candidates and participants, recognizing their involvement and achievements. The event reinforced the institute's commitment to creating real-world career pathways for its students and contributing to the regional employment landscape.

India Post Payment Bank Selected Rajshree MBA Students for Internship Program

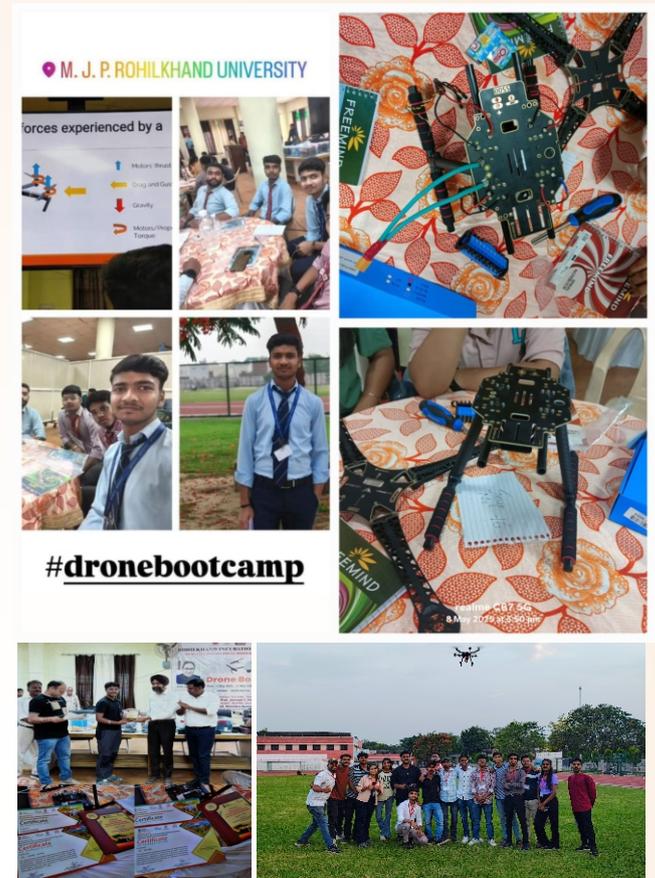

We are proud to announce that MBA students from Rajshree Institute of Management and Technology have been selected for their Summer Internship Program at India Post Payment Bank (IPPB), Bareilly. This opportunity provides our students with valuable industry exposure and hands-on experience in the financial and banking sector. The selection process was conducted through a formal screening and interview round coordinated by the placement cell, in collaboration with the IPPB Bareilly branch. Students were evaluated based on their academic performance, communication skills, and understanding of banking and financial services. During the internship, students will be involved in various operational and customer engagement activities at India Post Payment Bank. This achievement is a reflection of the strong academic foundation and industry-oriented training provided at Rajshree. We congratulate the selected students and wish them a successful and enriching internship experience.

We are proud to share that students from the Mechanical Engineering Department have brought great pride to Rajshree Institute of Management and Technology by securing top positions at the Drone Boot Camp organized by MJP Rohilkhand University, Bareilly (MJPRU). Their innovative contributions and technical excellence in drone technology were recognized and celebrated at this prestigious event. Mr. Ashnik Chaudhary won the First Prize, while Mr. Lokesh secured the Second Prize in the competition, which focused on drone innovation and the development of new-age tech gadgets. Their projects demonstrated creativity, technical excellence, and a strong understanding of cutting-edge drone technology. Both students stood out for their problem-solving approach and innovative thinking, earning accolades from judges and attendees alike. Dean Academics Prof. (Dr.) Saket Agarwal, Director Academics Prof. (Dr.) Anil Kumar congratulated both winners and encouraged all students to continue pushing the boundaries of technology and creativity. We extend our heartfelt congratulations to Ashnik and Lokesh for their outstanding performance and for bringing laurels to the institute.

Rajshree Institute Enters into MoU with AMS COMTEL to Boost Industry Exposure for Students

We are pleased to inform you that Rajshree Institute of Management and Technology has signed a Memorandum of Understanding (MoU) with AMS COMTEL BPMS (P) Ltd. This strategic collaboration aims to bridge the gap between industry and academia by fostering opportunities for hands-on training, industry-oriented skill development, and collaborative projects. The MoU is a significant step toward enhancing the employability of students by integrating industry-relevant practices into the academic environment. Through this partnership, students will gain exposure to real-world business processes, emerging technologies, and professional development initiatives aligned with current industry demands. This collaboration reflects Rajshree Institute's continued commitment to equipping its students with the practical skills and knowledge necessary to excel in today's competitive job market.

Insightful Webinar on Finance Conducted by Plutus Education

Plutus Education successfully hosted an exclusive and engaging webinar featuring celebrated finance expert Ms. Khushi Gera. The session offered valuable insights into the world of finance, covering topics such as personal financial planning, investment strategies, and current market dynamics. Ms. Gera's practical approach, real-world examples, and interactive Q&A session provided participants—ranging from students to young professionals—with a deeper understanding of financial literacy and its importance in today's economy. The event was a great success, leaving attendees inspired and better equipped to make informed financial decisions.

Industrial Visit to Brindavan Beverages Pvt. Ltd. (Coca Cola), Bareilly

A group of students pursuing MBA, BBA, and B.Com recently visited Brindavan Beverages Pvt. Ltd., the authorized bottling plant of Coca Cola located in Bareilly. This industrial visit aimed to provide practical exposure to the students about the operations, management, and supply chain processes of a leading beverage company. During the visit, students observed the entire production process—from raw material procurement and quality control to bottling, packaging, and distribution. The visit also included a presentation on the company's business strategy, marketing initiatives, and sustainability efforts. The interaction with the plant managers and staff gave students valuable insights into real-world challenges in the FMCG sector, helping them understand the application of their academic knowledge in business operations. Overall, the visit was highly educational and inspiring, enhancing the students' understanding of industry standards and corporate practices in the beverage manufacturing sector.

Educational Visit to Narora Nuclear Power Plant - A Practical Exposure for B.Tech Students

Students from B.Tech Mechanical, Electronics & Communication (EC), and Electrical Engineering (EN) departments undertook an educational industrial visit to the Narora Nuclear Power Plant, located in Bulandshahr, Uttar Pradesh. The purpose of the visit was to provide students with practical exposure to nuclear energy generation, reactor operations, and safety protocols in one of India's premier nuclear facilities. Guided by experienced plant engineers and officials, students gained first-hand insights into the functioning of a nuclear power plant, control systems, turbine operations, and the role of engineering disciplines in maintaining efficiency and safety. The visit bridged the gap between academic learning and real-world engineering applications, making it a valuable experience for all attendees.

Placement Drive Conducted by AMS COMTEL BPMS (P) Ltd

On 25th April 2025, AMS COMTEL BPMS(P) Ltd conducted a successful placement drive at Rajshree campus for students of MBA, BBA, B.Com, B.Com (Hons.), B.Sc (All streams), and BA (Final Year & Passed-out). The recruitment team from AMS COMTEL BPMS (P) Ltd initiated the session with a pre-placement talk, where students were briefed about the company's background, work culture, job roles, and career growth opportunities. The selection process included multiple rounds such as Written Aptitude Test / Online Assessment, Group Discussion and Personal Interviews. A significant group of 75 students participated in the drive with enthusiasm and professionalism. The recruiters appreciated the preparation and confidence displayed by the candidates. At the conclusion of the process, 35 students were shortlisted, and 28 students were offered job opportunities across various functional roles in operations, client service, and business support. The college expresses sincere gratitude to AMS COMTEL BPMS (P) Ltd for offering this opportunity and looks forward to future collaboration.

Research and Scholarly Endeavors by Prof. Latha P. Moorthy

Prof. Latha P. Moorthy, the esteemed Principal of Rajshree Nursing College, Bareilly, continues to make significant contributions to the field of research and academics. Her dedication to scholarly activities has been reflected in multiple national and international presentations. Recently, Prof. Latha P.
